

# 'From Farm to Plate' School Presentation

The Sydney Markets 'From Farm to Plate' school presentations are designed for students in **Year 2**. A Sydney Markets representative will come to your school to conduct the presentation.

The presentation content covers the different parts of a plant where fruit and vegetables comes from, how much fruit and vegetables students should eat each day, the difference between fruit and vegetables, and how fresh produce travels from the farm to your plate through the Central Markets System.

The visit will also include an appearance by Fresh for Kids gang member 'Bazza Banana' (depending on availability of character).
